

We Won't Play the Claim Game
We've made claims easy!

- Met with an accident? Call us on **1800 12000** and we'll settle your claim real quick!
- We'll need a few details, so keep your vehicle documents handy
- We'll take care of the rest and settle your claim!

Who We Are

About Us

We care about the stuff you care about. Whether it's your family, your health, your ride, your home or your finances, our business is ensuring you're always protected. It's the reason we exist. But what makes us special is that we make insurance (which can be painfully complicated) disarmingly simple
